

Hello to my new Y3s!

I'm really looking forward to meeting you all when you start Y3 in September. I thought you might like to know a bit about me before we are all together.

I really enjoy teaching Y3 and you will be my third Y3 class in a row. Before that, I taught Y5 and Y6 – I might even have taught some of your big brothers and sisters here at Lowfield!

This is me:

I really enjoy teaching maths, science, history and music. I can play the piano and I hope I will get the chance to do this in singing assemblies next year. I also love reading stories to my class. Maybe you have some ideas about what I could read to you?

We will work hard in Y3 but we will have lots of fun as well. I will always help you if you are stuck. Our classroom will be full of good ideas and everyone will be made to feel welcome.

I hope you have a really good summer holiday!

See you in September,

Mr Dowson
